

LLDD/SEN Local Offer - Bournemouth & Poole College Local Offer

Key facts:

- Bournemouth & Poole College is suitable for learners aged 16+ who are ready to take the next steps towards independence.
- There are good transport links and support with travel training and supported travel.
- The College has three main campuses with good access into and out of most buildings.
- It is a busy college environment with large numbers of students.
- There are quiet spaces and monitored dining areas to support our more vulnerable learners.

What can I study?

Bournemouth & Poole College offers a wide range of qualifications, from Entry levels, through levels 1, 2 and 3 to Higher Education (HE) covering a variety of vocational subjects. Please browse the [full-time course guide](#) on this website for an up-to-date list of course options. There are also a range of [student participation activities](#) available.

How am I going to find out if the College is right for me?

Come and see for yourself if this could be the right place for you.

Visit one of our open events you will be supported with appropriate advice and guidance from a range of advisers and specialists at the college.

We can arrange for you to attend a [Shadowing day](#) where you will be able to meet staff and current students to help you get a feel of college life.

You will have the opportunity to work with our support team to create an individual support plan for the time you are in college.

We will liaise with other professionals and link to your existing plans (My Plan/EHC Plan, LDA/SEN Statement/ etc.).

We also offer transition planning and meetings.

What are the progression routes through college programmes and into the world of work?

All the courses at college have progression routes and embed employability skills.

Study Programmes offered in our Foundation Studies Curriculum area offer real and simulated work experience opportunities as well as a well-established volunteering programme. Bournemouth & Poole College also offers supported internships for young people with learning difficulties and disabilities

How will my additional learning support be funded?

Additional learning support is funded through the College, the Local Authorities and the Education Funding Agency
